

## СГ CH 1210 K5

### General characteristics

|                                      |                  |
|--------------------------------------|------------------|
| Connection type                      | Gas              |
| Number of cooking zones              | 4                |
| Model color                          | Stainless Steel  |
| Hob material                         | Stainless Steel  |
| Material of hob grid                 | Cast Iron        |
| Double-zone ring of hob              | No               |
| Hob burners gas control              | No               |
| Hob burners electric ignition        | On control panel |
| Timer                                | No               |
| Сортировка по категории (для поиска) | 2                |

### Control functions

|                              |            |
|------------------------------|------------|
| On and off indication        | No         |
| Hob plates control           | Mechanical |
| Fixed position ""low flame"" | Yes        |

### Accessories

|                              |     |
|------------------------------|-----|
| Set of replaceable injectors | Yes |
| Hob grid                     | 2   |
| Sealing tape                 | 1   |
| Filter                       | 1   |

### Technical characteristics

|                                 |          |
|---------------------------------|----------|
| Range of rated mains voltage, V | 220-230  |
| Weight (net/gross), kg          | 9 / 10,1 |

|  |             |
|--|-------------|
| Rated mains frequency, Hz                | 50          |
| Installation opening dimensions, WxD, cm | 55,4 x 49,4 |
| Width, cm                                | 59          |
| Depth, cm                                | 52          |
| Height, cm                               | 8,5         |
